

LUG TYPE

NED001- 6"X 200

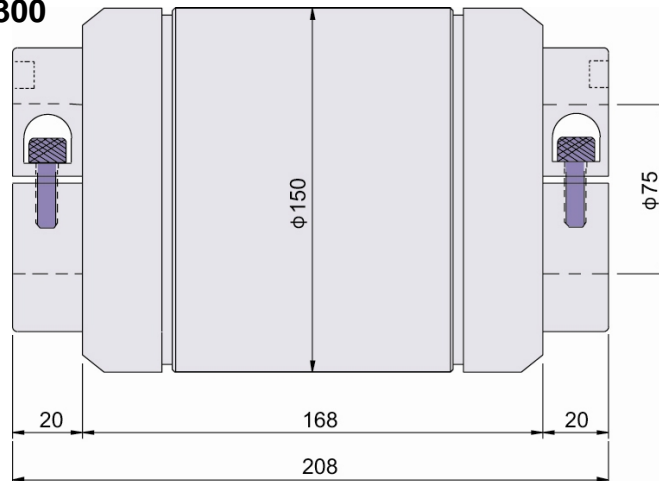

LUG TYPE

NED002- 6"X 300

RUBBER TYPE

NED003- 6"X 300

NED 003 is friendly with paper core, which especially use on plastic core and steel core. Also the weight is 1/3 lighter than other adapters.

Standard sizes available for this Model are listed above, but are available in other sizes for a customer order. **Please indicate you 3" shaft OD when order (very important).**
